

Joni Daniels M.S. Ed.

JONI DANIELS

POWERFUL RESULTS

**Management Development Training
Organizational Development Consulting
Professional Presentations, Keynotes
Workshops, Seminars, Meeting Facilitation
Consulting and One-on-One Guided Execution for
Professional and Personal Empowerment**

Through keynotes, half-day seminars, or all-day workshops, Joni Daniels' energetic, practical, tactical and actionable presentations are upbeat, humorous and valuable. Whether she is using her well-known "power tool" metaphor or providing real-life war stories, she:

- Designs outcome based programs and strategies
- Customizes programs and materials based on client goals and objectives
- Is responsive to participant needs
- Focuses on the developmental process of training:
 - o Conceptual Awareness
 - o Emotional Choice
 - o Behavioral Change
- Encourages interactive participation
- Offers relevant and practical applications

What People are Saying -----

"Joni's experience in working with multinational Fortune 500 companies is clearly evident -- she connected with all our people from around the world and energized them to work as a global team of change agents within the Company!"

Blake Eisenhardt, General Auditor UNISYS Corporation

"Joni Daniels' insights on what it takes to succeed are right on target. In a world full of self-proclaimed business gurus and shamans, she is a refreshing voice of common sense who provides solid advice on how to separate yourself from the rest of the pack."

Paul Wehner, Wehner Insurance Agency, Inc. President

"Practical and insightful."

Edwin Warfield, CEO, CityBizList

Joni's Most Requested Topics Include:

- ***Managing Personal and Organizational Change: Up a Creek with a Paddle AND a Motor***
- ***Talkin' Bout My Generation: Bridging the Multigenerational Workforce Gap***
- ***Power Tools for Women®: Plugging into the Essential Skills for Work and Life (also Power Tools for Life)***
- ***4 Keys to Being a Great Motivator***

Joni is a national speaker, consultant, trainer, author of *Power Tools for Women®: Plugging into the Essential Skills for Work and Life* (Crown), member of National Speakers Association (NSA), The American Society for Training and Development and the Organizational Development Network. Since 1989, she has worked with a wide variety of people and organizations as they strive to accomplish their personal and professional goals. She frequently contributes to print, online and media publications on professional and business topics and is a regular contributor for CityBizList.com, The Baltimore Business Journal, and ABC2News's Good Morning Maryland @9. Her clients include Fortune 500 companies, non-profit organizations, professional associations and educational institutions.

"Joni has a unique talent that allows her to help others identify the stumbling blocks that may keep them from complete success."

Paul E. Towhey, Development Manager Merck

"The first time I met Joni I was immediately impressed with her enthusiasm for her work. She brings a business perspective to HR issues that resonate with our leaders."

Michael N. Piergrossi, Vice President of Human Resources, W.R. Grace

"Joni is one of the most highly rated and informative business speakers I've ever used. Her energy and enthusiasm keeps the audience engaged from start to finish and her practical strategies give participants real tools to use as soon as they walk out the door!"

Stephanie McAlaine, Executive Director, ACG Philadelphia (Association for Corporate Growth)
